COMPANY OVERVIEW

Technical Systems is the premier event production company delivers High Quality Audio Visual, Lighting Equipment Rentals, Stage Production and Branding Services based in Riyadh with a prominent presence across the Kingdom. For over 10 years, we have been consistently delivering industry defining solutions for leading companies in the Kingdom from Government organizations to corporate companies. Our commitment and focus on client delivery, has translated thousands of successful events in a short span of time. To offer our esteemed clients the best experience possible, we invest in the most modern and up to date audio, video, lighting, stage and trussing equipment. Having established a strong foothold in the Kingdom of Saudi Arabia, through an extensive network of tie-ups with worldwide professional suppliers ensures that our client's events are perfectly memorable and the audiences are wowed. We maintain business relationships through a culture of innovation and mastering technological advances which enables us to provide clients with total A/V and Lighting providers. We are backed by a team of qualified and technical expertise with overall assistance. A team of highly experienced technical team will assist you with any type of events, be the Seminars, Conferences, Product launches, Fashion shows, Trade shows, Weddings or a Rock Concert. Our team has the capability and expertise to execute any event from pre to post production, thereby ensuring the best staging for your all-important events. Our ultimate aim is to build a very long term relation with all our clients through a Perfect Event with 100% client satisfaction.
